

To the Krew,

The last month of summer has passed and it has been a superb year so far, let alone summer. We are actually on a decent path to beat our yearly sales record set in 2022 with the remaining 4 months left. We still need to push it, make sure all jobs are covered, clients are satisfied and of course that enough jobs are booked in order to achieve this new record. But, it is most definitely doable, specially with September potentially being a very good month.

Krown Katering although it was very quiet this month, still achieved a new sales record in August and we look forward to continuing to grow the company as we still see so much potential in it.

We had a good time at the Football / Basketball event we did in the beginning of the month and thanks to everyone who showed up for some competitive fun. We will definitely do more of this and will soon put up a new date.

As a lot of you and some of our krew that have been with us for years are going back to school. We want to wish you all the best with your studies and the future. We still hope to have you doing some jobs for us when you can.
