

To the Krew,

We have had what is now our second biggest month in our history of the organisation and now have well over 100 krew members, which is phenomenal and a real achievement. Additionally, we beat the sales record for our biggest June month, the previous record being set in 2022 (See 'New Sales Record' below for more). This has been an incredible start to the summer and we are happy to see our hard work pay off with the growth the companies have shown recently. With our big job for Rammstein at the start of July, it is also very likely that we will beat the record next month as well and have the biggest July in our history, potentially biggest month ever, depending how busy we are the rest of the month. Although, most of this is a result of the great month 'Krown Krew' has had, it is thanks to 'Krown Katering' as well. 'Krown Katering' has been performing very well recently beating records in the last 2 months. It had a month much similar to its highest earning June, but didn't quite beat it, it was very close though. 'Krown Katering' may be much smaller in comparison to its big brother 'Krown Krew', however, the growth of the company is the most important and it's showing growth which must mean we are doing the right things.

We had jobs all over the country this month, even far out in the country side and out of the country in Sweden. We had some new krew join our branch in Odense and we got to assist them out in Billund (see picture on the right). The Odense branch is still quiet, however, more jobs came in this month for the branch and we are working on keeping this going. We have numerous ideas that we will be working on over winter when we are less busy to keep us evolving. We are happy with the team we are slowly building over there and look forward to the future.

We had our first recruiter Ulises, who earned 975 DKK from his active recruits in 'June, the highest earning 'Recruitment Commission' we have paid out so far. We had a total of 10 krew members earning 'Recruitment Commission' this month, it's a testament to how well the new recruitment system works and how beneficial it can be. We still urgently need 5-10 new recruits, so please keep spreading the word about our company the upcoming Rammstein jobs. We will be stopping recruitment from 6th July and will not be recruiting for a while. We will at that point only recruit applicants with a decent amount of experience as a stagehand. We can always put people without experience who are interested on our waiting list. Then, when we have jobs available that we cannot cover with the krew we currently have, they will be contacted and have the opportunity to join.

Please remember to always arrive in correct kit on all jobs. This means wearing our company uniform before you arrive at the job location and throughout the entire job. If you need more clothes, then simply ask and we will provide you as with much as you need. You can visit 'Kit' inside the 'Members Klub' or [click here](#) to see all the different clothes we have. We also have some new arrivals that you should check out.

Organisation: New Sales Record

The companies within the organisation set a new sales record in June, we beat the previous June record in 2022 by **+12.4%** this year.

Krown Krew: New Sales Record

Krown krew beat its previous biggest June month set in 2022 by **+ 8.7%** this year.

Legends

To our legends we have another meeting set in August, you can see exact date on the 'Legends' page inside the 'Members Klub'. I have wanted to have this meeting long ago, however, we have been very busy. I will try to keep these meet-up a little more consistent in the future.

Krew Chief: Updates

Be aware 'Krew Chief' will now be paid 15 DKK extra p/h. This means you will not be paid 175 DKK p/h for Krew Chief any further.

Krew Trainer: Updates

We have unfortunately cancelled 'Krew Trainer' until further notice. We don't believe the system is as effective as we would like it to be. We will be working on updating the 'Krew Trainer' system before doing such a thing again. We have paid bonuses almost every month and even when the tasks and the must-do's were incomplete. This is why we revoked the last Krew Trainers bonus, as we simply wont pay if the things we ask are not met. So from now on there will be no krew trainer awarded to the 'Top Dog of the Month', however, we will do what we can to bring something like it or similar back in the future.

4th Year Anniversary Party : Sunday 7th July

We are having our anniversary party celebrating 4 years of the Krown Organisation, we call it this as a way to include all the companies ('Krown Katering' Krown Kustom) & ventures (Kultur Network) that have branched out from when it all started with Krown Krew in 2020. The details are on the app, request a slot, so we know how many people are coming (see app for details). It's right after some really busy days, so will be a good way to hit the relax and reset button.

We hope to see you there.
