

To the Krew,

We are still in the early stages of the year and had a similar month to January. Things will soon be picking up as we are already seeing some big bookings coming in for April, which is the month where we believe things will start to get going for the upcoming summer. We had another job with our Odense krew in Kolding and we hope to soon be more active in the new branch.

As we approach the summer with some big jobs upcoming, we strongly recommend you help with recruitment and ask friends / people you may meet if there would be interested in some jobs over summer. This will significantly increase your earning potential, we will be contacting everyone as we near us to the big day and start to prepare for these vital months. We will also soon be sending some of our krew out on recruitment days, these krew members will be located in busy locations giving the public information of the work opportunities with us, specifically over summer. More below.

Krown Krew: Biggest Job In Our History

We are happy to say that we have the biggest job in our history booked for July 2024. This job alone requires us to have over 100 Krew members one day and 100 krew members on the next day. This means, we may well have over 200 krew members working on a single day, when including all the other bookings that we are sure will be made on this day from other clients as well. This leads to the next point 'Recruitment: Earn More'. We need your help to recruit for this job and for us to be able to continue this new system. It will only make sense for the business, if we can cover the jobs with your help and not by using outside sources / advertisers. If we have to pay for both, it may make more sense for us to go with outside sources / advertisers because we can't and won't pay for both. We would much prefer to pay it to our krew and with that many krew members joining there will be plenty of chances for you to earn a good amount of additional income. More on this below.

Recruitment: Earn More

We are happy to say that something I have wanted to start in a very long time, is finally here. This will be active for both 'Krown Krew' & 'Krown Katering', so there is a great deal of potential to earn from recruitment now. This was one of my aims from the early days of the company and it has spiralled into also creating a new way for us to train our newest krew, which I'll talk about in the next point 'Krew Trainer of the Month'. Not only that, but it has become a very unique system and way of doing it. As we have 2 businesses with the same structure and plan to build more, there are more opportunities than I imagined when first having the idea. This is good news for you. I always wanted to create a way that our krew could earn direct commission from finding us recruits and a sense of stake / ownership in the business, if it was for the right reasons. Not only that, but making the krew a bigger part of the overall success by creating an environment that makes them want the organisation to succeed because it benefits everybody. This is why we are creating business cards that all our krew can have for when you meet someone you want to try recruit. See more below. The better your recruits are, the more you will earn, and it will make a significant difference to anyone who takes it seriously. The more good recruits we have, the more satisfied our clients will be and the bigger we will become. This will only grow naturally as more things are implemented

and we are capable of providing our 'Top Krew' with more. Even, if we are not recruiting right in that moment, anyone you recommend to apply will be put on our waiting list and have a chance to join as soon as there is an opening and they are available to start. The more you have on the list, the better a chance that it will be one of your recruits who joins next. We recruit from our waiting list almost every month for either or both 'Krown Krew' / 'Krown Katering'.

'Krown Katering' will also be in Odense and Århus one day and we are building / working on so many projects that you are not lacking in opportunities. You can see how much you can earn by [clicking here](#) or visiting the 'Recruitment' page in the 'Members Klub'.

RECRUIT ON LINKEDIN

We are currently working on the 'How To Recruit Using LinkedIn' and using our business page to be able to hire and get applicants to your own profile. This is a process that would also boost your own profile and resume. However, we have discovered some troubleshooting with LinkedIn and will have to let you all know more information, when we have been informed about how to resolve it. There are though many ways that you can recruit, so get started and spread the word.

Kultur Network

'Kebab med Khalid' hit 5,000 views and that earns Khalid a 150,- bonus & Maisha also hit a target of 1,000 views on episode 2 of 'Sjov med Maisha'.

We can't wait for the future and to create more episodes and shows from the media channel and hopefully get closer to our goals every year that goes by. This year the focus was to get a few shows started and test the waters and we are happy with it all so far. We know that once we build on more shows and draw more people in, the channel will grow. Unfortunately, we could not film more episodes over summer, however, I will be in contact with both our hosts so far about filming new episodes to keep the show going and have an even better 2nd year. Saying this, episode 2 of 'Kebab med Khalid' will be released in December, so please keep a look out for that.

If you have not watched any of our shows, please go check it out.
